OUR DESTINATIONS

FOUR COUNTRIES. ONE EXTRAORDINARY REGION.

East Africa is one of the world's most diverse travel destinations, offering extraordinary contrasts within relatively short distances. Each destination offers its own character while naturally complementing the others.

A herd of wildebeest is shown crossing a river, with some animals already in the water and others on the bank. The scene is dusty and captures the intensity of the Great Migration.

Kenya — Wildlife & The Great Migration

Kenya is the birthplace of the modern safari, famous for the Great Wildebeest Migration, Amboseli elephants, Tsavo wilderness, and Indian Ocean beaches.

Tanzania — The Great Migration & Kilimanjaro

Tanzania offers vast wilderness including the Serengeti, Ngorongoro Crater, Tarangire elephants, and Mount Kilimanjaro, ideal to combine with Kenya or Zanzibar.

Uganda — Gorilla Trekking & The Pearl of Africa

Uganda, the Pearl of Africa, features rich biodiversity, gorilla trekking in Bwindi and Mgahinga, chimpanzees, the source of the Nile, and the Rwenzori Mountains.

Rwanda — Gorillas, Culture & Conservation

Rwanda blends conservation, culture, and beauty, with gorilla and golden monkey trekking, Lake Kivu, and a welcoming capital.
